The VIPER BV3 air blower offers a powerful way to dry even large carpets and floors.

Working with the BV3 is highly flexible and convenient. You can place the compact machine in several blowing angles. Get maximum efficiency by connecting up to 3 units via daisy chain, and weighing just 10 kg, the air blower is easy to carry, store and transport. Powered by a new 3-speed induction motor with thermal protection, the BV3 will save energy and costs.

Also protected by the strong roto-molded shell, it is robust and ready to work in every condition. Due to its long life-time and low power consumption, it ensures an attractive TCO.

- Cost-effective with 3-speed induction motor with reduced power consumption
- Protected from motor overheating by the strong roto-molded structure
- Compact and easy to manoeuver with retractable handle
